

Statement of Acknowledgement/Endorsement

Rationale and Process:

All applicants must notify their Section of their intent to run for a position on the Skate Canada Board of Directors. A statement of acknowledgment/endorsement must be received from the Section Chair and one other member of the Section Board of Directors prior to March 13, 2023, to meet the applicant submission requirements deadline.

Applicants can stand for election in more than one election category if they meet the related eligibility criteria. Thus, the statements of acknowledgment/endorsement should include all potential election categories (Board positions) in which the applicant is planning to stand for election.

**** Statements of acknowledgment/endorsement are to be submitted directly to Jeff Partrick at jpartrick@skatecanada.ca no later than March 13, 2023.**

Name of applicant:

Available election categories the applicant is interested in: (please check all that apply):

- Director Ontario
- Director Atlantic
- Director-at-Large

I understand that Skate Canada is relying on this Statement of Acknowledgement/Endorsement in accepting the application in connection with upcoming elections to the Board of Directors of Skate Canada.
